

Let Picture Pendants - Start the Conversation for You!

For years I have been trying to figure out how I could combine my painting with my jewelry. I think I have finally done it! After designing and wearing a "Picture Pendant" I received so many compliments I thought it could help other artists. It makes a great conversation starter around your art. Just think, you can have one of your paintings in a pendant or pin. Give one to your mother, grandmother, daughter, wife and they can be advocates for your art. You don't have to be an artist. Showcase a picture of your child's art, baby, children, grandchildren, favorite vacation spot, pets, or one of my paintings.

Let me design a pendant especially for you. All I need is a high resolution file of your picture so that I can size it (keeping the correct ratio). I then design the pendant to the size of the picture. All designs are done in Sterling Silver.
